HIMACHAL PRADESH HOUSING BOARD SHIMLA

BALANCE SHEET AS AT 31ST MARCH, 1983

To

The Members,
Himachal Pradesh Housing Board,
Shimla.

Dear Sirs,

We have examined the attached Balance Sheet of Himachal Pradesh Housing Board, Shimla, as at 31st March, 1983 and the annexed Profit and Loss Account

for the year ended on that date with the books of accounts maintained at Head Office and Divisional Offices as incorporated therein and subject to the observations in Annexure-I, we report that:—

- (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the audit;
- (b) in our opinion, proper books of accounts have been kept as far as appears from our examination of books and the above mentioned accounts are in agreement therewith;
- (c) in our opinion and to the best of information and according to the explanation given to us, the accounts give:—
- (i) in case of Balance Sheet, a true and fair view of the state of affairs of the Board as at 31st March, 1983;
- (ii) in the case of Profit and Loss Account of the loss for the year ended on that date.

for AGGARWAL RAJIV AND
ASSOCIATES,
CHARTERED ACCOUNTANTS.
39, Sector 28-A,
CHANDIGARH.

Dated: 21st March, 1986.

(PARTNER).

ANNEXURE-I
AUDITORS REPORT—(contd.)

1. Fixed Assets: Rs. 54,83,613.66.

- (a) The fixed assets register has not been maintained and no details of fixed assets were made available to us for our verification. The physical verification of the fixed assets has also not been conducted by the Management at any stage.
- (b) The basis of charging depreciation on the following assets have not been explained to us:—

Assets	Rate of Dep.
Civil Works at Paonta Sahib ..	4%
Plant and Machinery and Rail Lines and Tipping wagons at Brick Kiln Factory, Paonta Sahib ..	7.5%

- (c) The cost of Nigam Vihar building was transferred to fixed assets in the previous years but no agreement/document on the basis of which allocation has been made was produced to us for our verification. The title deeds of land have also not been produced to us.

2. Work in progress: Rs. 5,86,10,805.19

(a) Expenditure incurred on schemes and buildings:

A sum of Rs. 13,38,40,879.65 has been spent by the Board on various housing schemes upto 31st March, 1983. The aforesaid amount has been shown under "Work-in-Progress" without considering the fact whether a particular scheme has been completed or not.

Township/Housing colony has been treated as one unit and the same has not been bifurcated into various schemes. The actual cost of particular scheme has not been ascertained and the deviations, if any, from budgeted costs have also not been worked out. Moreover, even in cases where the respective schemes have been completed and possession of flats/plots has been given to the allottees, the cost incurred is being shown under the head "Work-in-Progress", whereas after the completion of construction/development of a scheme and allotment of flats/plots to the public, the actual cost of that particular scheme should have been ascertained and shown separately as "Recoverable from the Allottees."

(b) Expenditure incurred on own buildings:

Rs. 21,60,177.72.

A sum of Rs. 21,60,177.72 has been spent by the Board for construction of various buildings owned by the Board. The whole of the amount has been shown under "Work-in-Progress" without considering the fact whether a particular building has been completed or not. As such in case of buildings the construction of which has been completed are still being shown under "work-in-progress" instead of showing the same under "Fixed Assets". Also the depreciation has been under-charged on account of non-capitalisation of buildings. Further the cost of land on which the Board's buildings have been constructed has not worked out and as such the same continues to be shown under "Work-in-Progress" and included in the expenditure of housing schemes, whereas the same should be worked out and shown under "Fixed Assets".

(c) Receipts from Allottees: Rs. 7,73,19,982.03

A sum of Rs. 7,73,19,982.03 representing initial deposits and instalments (principal and interest) has been received from allottees on account of various commercial plots and buildings, multistoreyed complex at Shimla and Housing Schemes. The said amount has been deducted from the total amount of Rs. 13,37,69,705.50 spent by the Board on these schemes upto 31st March, 1983. The initial deposits/instalments received from the allottees should have been deducted from the total amount recoverable from the allottees, in respect of that particular scheme to show the net amount recoverable from the allottees, scheme-wise. The amount of interest received from the

allottees after the completion of the respective schemes should have been treated as a "Revenue Receipt". No allottee-wise details in respect of the same have been produced to us.

3. Stocks-in-hand: Rs. 24,19,275.32

No physical verification of stocks has been conducted by the Management at any stage during the year. Since the physical inventories in respect of the material for works in stores at different divisions and raw materials, finished goods and stores and spares at Paonta Sahib were not available, the value of the same has been taken as it stands in the financial ledger as on 31st March, 1983. In the absence of any details, basis of valuation of stocks at the close of the year and accuracy of the consumption of stocks and stores could not be verified.

The division-wise details provided for materials for works in stores is as under:—

Particulars	Amount
Parwanoo Division ..	Dr. 5,97,409.60
Shimla Division ..	Dr. 5,65,417.61
Dharamshala Division ..	Dr. 3,28,456.85
Solan Division ..	Dr. 1,03,543.37
Total ..	Rs. 15,94,827.43

No details for the above materials for works in stores as on 31st March, 1983 has been provided.

Neither any quantitative details in respect of stocks of raw materials and stores and spares worth Rs. 4,72,983.64 and Rs. 53,531.16 at Paonta Sahib has been provided nor any stock reconciliation statement has been prepared in the absence of which the closing stocks as well as consumptions are subject to our verification.

In our opinion, physical verification of stocks must be conducted atleast once at the end of the year and stock reconciliation reports reconciling the stock records and the financial records should be prepared. The stocks as at the end of the year should be worked out on the basis of physical inventories and adequate adjustments should be made for shortages/excesses, if any.

4. Balances with Scheduled Banks: Rs. 68,39,871.69

(a) It has been observed that there is no system for periodical reconciliation of the bank accounts. As a result of it reconciliation statements provided to us includes huge entries outstanding in respect of earlier years, which could have been very well adjusted, had the reconciliations been done timely. A system for periodical reconciliation of bank accounts should be introduced, so that the required adjustments are done well in time and the balances appearing in the books of the Board reflect the correct position of the bank accounts.

(b) No reconciliation statement in respect of United Commercial Bank, Parwanoo has been shown to us for our verification and as such the balance has been taken to be that as per the financial books.

(c) It has been observed from the bank reconciliation statements provided to us that no details in respect of the transactions pending reconciliation have been given in the reconciliation statements. Details regarding the subsequent adjustment of the pending transactions and nature of the transactions should be given in the reconciliation statements in the absence of any such details, the accuracy of the said reconciliation statements is subject to verification.

(d) No bank balances confirmation certificates as on 31st March, 1983 in respect of the accounts with the following banks have been shown to us for our verification and as such the balances have been taken to be those as per the financial ledger.

Name of the Banks	Balance as per Ledger
State Bank of India, Dharamsala ..	Rs. 744.00
State Bank of Patiala, Dharamsala ..	Rs. 62,750.75
State Bank of Patiala, Hamirpur ..	Rs. 967.19
United Commercial Bank, Hamirpur ..	Rs. 4,391.15

5. Recoverable on account of Deposit Works:
Rs. 1,18,56,407.44

As on 31st March, 1983 the Board has incurred a sum of Rs. 1,18,56,407.44 in excess to that received from the parties on account of deposit works. It is quite surprising to note that the Board has incurred an expenditure over and above the amount received from the parties on account of deposit works.

6. Miscellaneous Advances: Rs. 48,88,941.06

(a) *Imprest Account:* Rs. 11,866.07

This amount represents the imprest with Executive Engineer, Dharamshala Division. The same should have been adjusted at the end of the year. No details in respect of the same have been furnished.

(b) *Principal and interest receivable on Police Rental Housing Scheme from H.P. Government:* Rs. 56,130.00

No details in respect of the same have been provided.

(c) *Advance for land:* Rs. 1,99,816.48

A sum of Rs. 1,96,122.07 and Rs. 3,694.41 has been paid as advance for acquisition of land to Collector, Solan and Una respectively. The said advances are outstanding from the last many years, but no adjustments in regard to the same have been made till date.

7. Cash Settlement Suspense Account: Rs. 3,62,688.01

No details in respect of the same have been furnished. This amount represents value of stocks transferred to different units, but in respect of which no corresponding credit has been given by the receiving unit.

No adequate system is being adopted for recording stock transfers from one division to another division whereas the issuing unit debits the value of stock transferred to Cash Settlement Suspense Account, the receiving unit credits the same to Material Purchase Account. Thus in the Balance Sheet the effect of stocks transfers is shown by Cash Settlement Suspense Account on debit side and by Material Purchase Account on credit side, whereas both these accounts should be adjusted against each other. A system for accounting stock transfers should be adopted so that the adjustments in respect of the same are made and these two superfluous accounts should be adjusted against each other.

8. Initial Deposits/Earnest Money from Allottees:
Rs. 78,65,790.03.

The details in respect of initial deposits/earnest money received from the applicants have been prepared scheme-wise but no applicant-wise details have been furnished. As per the scheme-wise details there is a debit balance also of Rs. 3,46,871.00 and the balance of Rs. 78,65,790.03 as on 31st March, 1983 is net of debit balance. Since there appears debit balance also and under such circumstances the chances of over payments/double payments on account of refunds to the applicants cannot be ruled out.

9. Material purchase: Rs. 15,72,379.02

Rs.

Parwanoo Division	[4,95,100.29
Dharamshala Division	335.60
Shimla Division	10,45,618.50
Paonta Sahib Factory	2,064.63
Solan Division	29,260.00

No details in respect of the above mentioned balances have been furnished. These accounts represent the amounts payable to suppliers as at the close of the year and the value of stocks transferred from other divisions.

The Material Purchase Account is credited with the original cost of stocks received from the suppliers and other divisions of the Board and is debited with the payments made to the Supplier/Divisions. This account as a result always leaves a credit balance.

In our opinion, the system of crediting Material Purchase Account with the value of stocks received is not adequate. Instead, the party's personal account should be credited with the value of goods received and payments made to respective parties should be debited directly to parties account only. This shall give the net amount payable to the different parties, at any particular point of time, which should be treated as Sundry Creditors.

In case of inter-unit transfers, the system as enumerated in Para 7 of our report, should be followed.

10. Other Liabilities: Rs. 8,17,660.73

(a) *Suspense Account:* Rs. 28,340.87

No details in respect of the same has been provided to us. Even during the year the Suspense Account has further piled up to the extent of Rs. 6,126.43.

(b) *Miscellaneous Deposits:* Rs. 1,46,337.64

No details in respect of same have been provided.

(c) *Refund from A.C.C. Ltd.*

The said sum was received as refund from A.C.C. Ltd. earlier year but the same has not been adjusted till date. No explanations in this regard were provided.

(d) *Refund from SAIL:* Rs. 22,685.47

The said amount was refunded by the Steel Authority of India Limited, earlier years, but the same has not been adjusted till date. No explanations in this regard were provided.

(e) *Imprest Adjustable:* Rs. 3,99,340.54

It represents the imprest with Executive Engineer, Parwanoo and Shimla Divisions amounting to Rs. 1,82,229.35 and Rs. 2,17,111.19 respectively. No details in respect of the same have been provided.

11. Contributory Provident Fund—Rs. 12,30,377.57

This amount represents the Employees and Employers share of Provident Fund contributions and interest thereon. Employee-wise details in respect of individual contributions of the employees and interest have been provided but it does not tally with the balance as per general ledger. Moreover, CPF advance has also been adjusted in the CPF contributions whereas it should be shown separately. During the year a sum of Rs. 57,535.48 has been worked out on account of deficit of interest earned and interest payments to the members of the trust as such a provision has been made in the accounts of the Board for meeting out the said deficit as on 31st March, 1983. The total investments on behalf of the H.P. Housing Board Employees Provident Fund Trust stood at Rs. 3,74,011.49 resulting into liability of the Board of Rs. 8,56,365.08 towards the Trust.

12. Capitalisation of interest:

Interest on Himachal Pradesh Government Loan has been capitalised on various Housing Schemes of plots, flats and houses and other buildings proportionately on the basis of total expenditure incurred on the respective works/schemes during the year, whereas the same should have been capitalised on the basis of total expenditure incurred on the respective schemes/works upto the end of the year. However, interest on loans from HUDCO and banks has been directly charged to various schemes/works for which the respective loans had been availed.

In our opinion, the interest on loans in respect of various housing schemes, buildings and schemes of plots/sheds, which had completed either before the start of the year or during the year, should not be capitalised, but should be charged to revenue.

Moreover, it has also been noticed that the provision for interest on loans to Himachal Pradesh Government has been made on reducing balance method whereas no repayment of the loan has been made. The interest should be calculated on the actual balance outstanding as on 31st March, 1983.

13. Accounting System:

It has been observed that no proper accounting system is being adopted by the Board both at Head Office and Divisions. As a result, there are numerous adjustments lying pending since long which should have been adjusted, but could not be done for want of proper information and co-ordination.

At present, the Monthly Trial Balance are sent by the Divisions to Head Office which are again journalised at Head Office, thus duplicating the work without any material use. The maintenance of accounts should be decentralised and individual Balance Sheet and Profit and Loss Account of each Division should be prepared which should be consolidated at the year end at Head Office. For this, an Accounting Manual should be prepared and the system should be standardised so that the accounts at each division are maintained on a similar pattern. Similarly, the proforma for Balance Sheet, Profit and Loss Account and other periodical reports should be standardised so that there is no problem at the time of consolidation.

14. Internal Audit:

Internal audit system is inadequate. No internal audit was carried out during the year. As had been pointed out in

our earlier report also internal audit system needs to be strengthened and it should be conducted during the year on continuous basis with proper follow-up action also.

15. Repair and Maintenance of Housing Schemes: Rs. 11,01,648.25

During the year the Board has incurred a sum of Rs. 11,07,373.45 on account of repair and maintenance of housing schemes and against it the Board has charged a sum of Rs. 5,725.20 only from the allottees. Further, a sum of Rs. 7,01,941.47 has been charged from the allottees on account of water charges resulting into expenditure to the tune of Rs. 3,99,706.78 out of the Board's funds for which no recovery has been made from any allottee.

16. Choice Money: Rs. 3,62,162.40

During the year a sum of Rs. 3,62,162.40 has been charged from the allottees on account of choice money for the allotment of plots/houses of the choice of the allottees but not proper records to verify the same has been shown to us.

17. Forfeiture of initial Deposits: Rs. 1,40,494.00:

During the year a sum of Rs. 1,40,494.00 has been forfeited at the time of refund of initial deposits to the applicants for which no proper records have been shown to us for our verification.
